YANN LINDEBOOM

FULL-STACK DEVELOPPER
LOOKING FOR A WORK-LINK JOB

Self-taught in web development. I'm actually looking for a company that will enable me to improve my skills. My goal is to move up in the industry, and i'll be sure to share my enthusiasm with anyone who gives me a chance. I'm self-motivated, not afraid to learn and want to take part in concrete projects.

Work-linked training structure: OpenClassroom
Pattern: 2 years - 80% company 20% training
Contract: Work-linked or Professional training
Start date: Flexible
